

QUALITY, ENVIRONMENT, HEALTH & SAFETY (QMS, EMS & OHSAS)

We, at KSH INTERNATIONAL PVT. LTD., reaffirm our belief that Quality, Environment, Health & Safety of our employees are of the utmost importance and takes precedence in all our business decisions and committed:

- To continually improve our Quality, Environment and OH&S performance, prevention of pollution and work related injury and ill health, considering context of organisation.
- Our aim is to build quality into every process within our company which will lead to total customer satisfaction and to provide safe, clean and green environment.
- To deliver a world class product complying to national, international standards to our customers across the globe.
- To comply with all applicable legal and other requirements, provide safe and healthy working conditions, eliminate hazards and reduce OH&S risks.
- To educate, train and motivate our employees to carry out their tasks in a safe, healthy and an environmentally responsible manner.
- To develop culture for monitoring, reviewing & improvement of IMS and will encourage Quality, OH&S and Environmental practices and continually improve them throughout our organization in consultation and participation of workers, and their representatives.
- To communicate our Quality, Environmental and OH&S commitment to all persons working for or on behalf of the organization and to the public.

We will review the above policy periodically to ensure that it remains relevant and appropriate to the purpose and context of the organization.

Rajesh Hegde, Managing Director
